

### About: Goodness Grains

Goodness Grains was established in 2013 with the aim of bringing “normal” bakery taste and quality to our coeliac customers. We are ideally located in the centre of Ireland for easy access to local and international markets. In 2017, we moved to a new larger bakery which was purpose built and dedicated for Gluten Free production. We freeze on-site to ensure maximum freshness.

All our products are Gluten Free, Wheat Free, and Nut Free. Additionally, our bread range is Dairy Free and VEGAN friendly.

### Location: Longford, Ireland
