

About: Rangeland

Rangeland Foods is a family run business for beef products, like hamburger patties or beef strip. Founded in 1982 in Co. Monaghan, Ireland, this company works only with Irish beef that is supplied by four local certified slaughterhouses. Rangeland Foods is known for constant innovation & flexibility to the customer's demands. Private label production can be realized for relatively small quantities. Continuous consistent high quality products, even in large quantities, are produced. You can rely on always receiving the same cooking performance, taste, shape, portion weight, juiciness, etc. Rangeland Foods performs up to 51 tests on each production to guarantee consistent quality.
