

### About: Simpli Baked

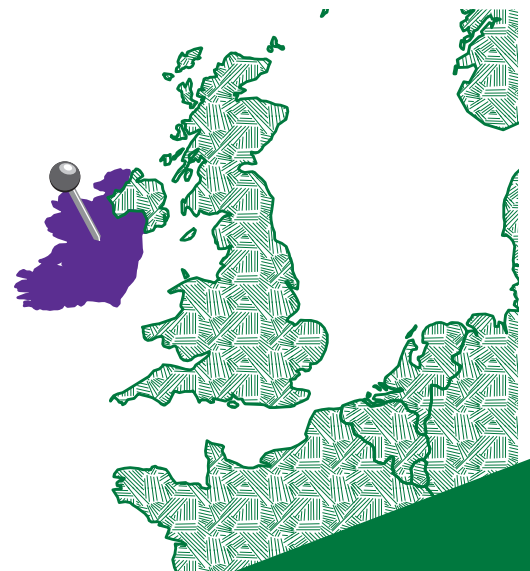

The company was founded in 2009. Kieran Walsh, the managing director, has bakery in his DNA, having come from a bakery family based in Ireland, and worked in Germany & Middle East. Kieran is passionate about the business and believes in ensuring all customers get both the best quality products and customer service at all times. The latter recognised by an award from our major customer, when the company was awarded the Best Customer Service Award on a number of occasions.

They ensure that everyone that comes into contact with their business is treated with respect, dignity and fairness.

Simpli Baked are makers of quality products using best ingredients and methods, and always willing to try new ideas.

They aim to exceed customer and consumer expectations.
